Tour Style Case Designed to Fit the Numark NS7II Controller
Model# G-TOURDSPNS7II

G-TOUR™ DSP SERIES

DJ CONTROLLER FLIGHT CASES WITH LAPTOP PLATFORM

Gator's G-TOUR™ Road Cases for DJ Controllers are equipped with a patent pending Sliding Laptop Platform that allows easy set up of your computer, control surfaces, and DJ gear. Tour-style plywood construction and road tough commercial-grade recessed handles and twist latches make these cases the best solution for your DJ equipment. The series has 8 different models and includes 3 universal fit models that contain adjustable foam pads to fit many types of controllers. The cases are equipped with a removable front panel that allows easy access to headphone jacks and ultra-durable EVA interior padding. Integrated cable ports for easy power and signal routing ensure setting up is quick and easy. Custom fit models feature recessed wheels; making transport convenient and simple. There's no need to remove your gear from the case... just roll in, set up, and let the music unfold!

TITAN SERIES™

RUGGED EQUIPMENT CASES

The popular Titan series from Gator Cases provides unmatched protection for a variety of DJ equipment. These injection molded cases feature Gator's UltraGuard Technology, providing top notch protection with heavy-duty impact resistance and a water and dust proof seal. Each Titan case is certified with IP 67 and MIL-STD-810F Immersion tests which means this case can endure the harshest of elements. The outer shell is constructed of a tough impact-proof lightweight NK-7™ resin material and comes with an ATA-300 flight safe rating. Each case secures with the unique easy release Powerclaw™ latching system and features a soft-grip carry handle. With a variety of sizes available, The Titan series is the ideal choice for DJ mixers, CD players, Drum Machines, and control surfaces. Simply use the optional pluck and pull diced foam to create a snug fit for your gear. A custom fit model is also available for the Pioneer CDJ-2000 DJ CD player.

- Water and Dust Proof with IP 67 Certification
- ATA-300 Flight Safe rating
- Impact Proof Lightweight NK-7™ Resin
- Easy Release Powerclaw™ Latching System
- Soft Grip Comfort Handle
- Pad Lockable
- Optional Pluck and Pull Layered Diced Foam Inserts Available
- Select Models Available with Adjustable Divider Inserts

UltraGuard TECHNOLOGY

**WATER
PROOF**

**IMPACT
